They are merely tools for describing experience, for telling stories, and for creating memories.</p> <p>Use this aroma card to help you learn to describe wine in ways that are meaningful and memorable to you. Let it be a reminder to pay attention to everything you taste.</p> <p>Let it also be a reminder of the magic of wine: that from simple grapes, a bit of yeast, some wood and some time, we can taste so much of the world in a bottle.</p> <p>Vinography.com </p> <p><small>© Copyright 2007 Alder Yarrow.
